

Amendments to the Specification

Page 1, please cancel the first paragraph added by Preliminary Amendment submitted July 3, 2003 and substitute the following:

--CROSS REFERENCE TO RELATED APPLICATION

This application is a Continuation of U.S. Patent No. 6,356,841 (copending U.S. Application No. 09/474,368, filed December 29, 1999), which is incorporated by reference in its entirety.--

Page 5, please replace the paragraph beginning on line 5 with the following:

--~~Figure 14 is~~ Figures 14A and 14B show an example of a preferred route history report, according to the present invention.--

Page 41, please revise the paragraph commencing on line 8, as follows:

-- ~~Figure 14 is~~ Figures 14A and 14B show an example of a route history report 1400. A route history report 1400 is a summary of a vehicle's activities for a given time period. The time period can be set as any desired period, examples of the time periods include one day or one shift. The route history report 1400 can be displayed or printed either in tabular or graphical format. The invention includes provisions that allow users to switch between a tabular format and a graphical map-type format. The route history report 1400 provides the data, preferably in the form of item number, vehicle name, date, time, type, minutes (or the elapsed time spent at a particular location), speed, address, country (or any other political sub-division) state and ZIP code, for the graphical route history shown in Figure 15.--
